

Reverse Advent Calendar!

2026

Be the reason
someone celebrates

Christmas without hunger

How does it work?

Fill a box or bag with one item each day throughout November, ticking them off as you go. Then at the end of the 24 days, drop it off at your local food bank donation point.

Thank you!

Cereal

Thank
you!

Use this page to make doors for your advent calendar

Start by cutting out each of the coloured boxes to the right. Fold lightly along the faint line, then tape or glue the top strip of each one over its corresponding square on the calendar.

Items we can't accept:

- Anything containing alcohol
- Chilled or frozen food
- Fizzy drinks
- Infant formula milk or powder
- Food that's out of date, opened, or unpackaged

You can find the nearest spot to drop off your donations at nbsg.foodbank.org.uk/donate

We'll be posting these daily throughout November on our social media accounts too, so follow us there to join in online:
